Jennifer,

Sorry for the delay. I just got back from a 10day business trip in Europe and Tom's office was closed due to the holiday yesterday, and a snowstorm today. However, Tom and I just conferred by phone, and we have a number of the queries completed that you may pass on to Shika.

Please find attached the queries we've completed, as follows

Chapters 4,5,6,10, 13, and 14.
Appendices 2, 4, 5, and 6

Tom's review of Chapters 3 and 7 is in progress, as is my review of chapters 8, 9 and 11. Hope to have more to send you later today.

Any questions, give me a call at 919-549-2843.

Dave

Subject: Pollinators Book Queries
Importance: High

Dear Tom and Dave,

I hope you had a nice weekend. I had hoped to find the rest of the queries in my inbox when I logged on this morning.

I have another email from Shikha this morning, and Wiley has contractual right to proceed if the delays are undue. This could result in the publication of inaccuracies, which we want to avoid (obviously). Please send along your responses to the queries today.

Very much appreciated!

All the best,

Jen
